This may be tem-porarily sanctioned & the IGP asked to require the Dt. Magte to replace the present incompetent Duffedar as early as possible by a more efficient one who could himself do the clerical work of the Lockup. The District Magte's con-tention is clearly incorrect. The allow-ance was sanctioned not for clerical work to be performed by clerk of any Lockup but in considera-tion of the addl. clerical work devol-ving on Lockup Duffe-dars ..., and with a view to render it easier to obtain the services of capable and literate men for this post i.e. for the post of Duffedar.
